Sir:

LETTER UNDER MPEP 707.05(g) AND 710.06

On November 13, 2003, Applicant's representative received an Office Action dated November 10, 2003, in connection with the above-identified patent application.

On Page 3, paragraph 5 of the Office Action, the Examiner relied on a reference and provided the following citation: "Arimoto et al. (SPIE Proceedings Vol. 2990, Free Space Laser Communications Technologies IX, San Jose, CA, February 1997)."

Applicant has reviewed the Office Action and all of the papers included with the Office Action but does not find a reference with the citation provided by the Examiner. Also, this

Appl. No. 09/837,733

Docket No. RTN-154PUS

reference is not listed in any form PTO 1449 submitted by Applicant, nor on any form PTO-892 supplied by the Examiner. Applicant thus submits that the Examiner has either provided an incorrect citation of this reference or the reference was omitted from the Office Action mailed to the Applicant.

Accordingly, Applicant respectfully requests that the Examiner either: (1) provide the correct citation; or (2) provide a copy of the omitted reference. Also, in accordance with MPEP 710.06, Applicant requests that the Examiner re-start the previously set period for reply to run from the date the error is corrected.

If the Examiner has any questions concerning this letter or this application, he is respectfully invited to contact the undersigned attorney.

In the event any additional fee is required, please charge such amount to the Patent and Trademark Office Deposit Account No. 50-0845.

Dated: 12/4/03

Respectfully submitted,

DALY, CROWLEY & MOFFORD, LLP
